#### Payment methods

In order to minimize the movement of students and staff in the school and to avoid the handling of cash, we offer the following payment methods:

**In cash:** In a ziploc or envelop with the child's name, class, menu choice and date of the meal. Your child will be invited to place their ziploc in a bin provided for this purpose in their classroom. The bins

will be collected (and disinfected) by our service every morning. You can place orders and payment for several children from the same family in the same Ziploc bag provided that each child is properly identified.

**By check payable to AFV:** In a ziploc or an envelop, with the child's name, class, choice of menu and date of the meal. Your child will be invited to put their Ziploc bag in a bin provided for this purpose in their classroom. The bins will be collected (and disinfected) by our service every morning.

**By automatic monthly debit from your bank account:** If this option interests you, write to us to receive the form to complete (cafeERDV@gmail.com). An invoice will be emailed to you every month with a summary of your purchases and the total amount that will be debited from your account (on the same date every month).

*Due to the risks related to fraud and data theft, the finance department, which acts as an auditor in our accounting management, now prohibits us from accepting automatic transfers (e-transfer). It is therefore no longer possible to pay with e-transfer. We are currently working on building a transactional website so that you can order and shop online. This site will be available no later than January 4, 2021.*

### Meal cards

We offer you the possibility of purchasing complete meals in blocks of 10 with the meal card. This card will be managed by the cafeteria staff and will be stamped each time a meal is served. It is possible to share a meal card between several members of the same family.

Items	Tarifs
Meal card / Grandir to grade 5	50,00\$ (10 repas) <i>10% discount</i>
Meal card / Grade 6 to Grade 12 and school staff members	58,50\$ (10 repas) <i>10% discount</i>

It is the parent's responsibility to ensure that their child has meals available on their card. Kitchen staff will not follow up with parents to inform that the cards are finished.

**All meals consumed must be paid for no later than the same day, without exception.**

### Menu and adjustments to public health rules in the context of the COVID-19 pandemic

In the current context of the pandemic, several rules defined by the public health of the province lead us to modify our service and our menu. As meals will be delivered to classes, we will start the year with cold or warm menus in a box lunch format. This box, made of compostable cardboard, will be accompanied by also compostable utensils in order to limit as much as possible the handling and circulation of dishes or trays.

In the event that public health should intervene in the context of the current pandemic, the AFV may have to close the cafeteria to ensure everyone's safety. In this event, all meals paid in advance may be kept in the bank in the student's file or reimbursed depending on the duration of the closure.

## **Cafeteria management**

The cafeteria service is offered and managed by the Association francophone de la Vallée (contact person: Brigitte Boyle, general manager: 902.765.1078 / afv@scolaire.ednet.ns.ca). Do not hesitate to contact us for any questions or comments on the service offered!
